DEV Systemtechnik Appoints Swiss Office Manager Vincent Marchand Focuses on French Speaking Markets

Since November 15, 2009, Vincent Marchand, 35, manages the Branch Office of DEV Systemtechnik in Switzerland. Based in Neuheim near Zug, he will care for customers in Switzerland, France and Spain.

Marchand joined DEV from TTTech Computertechnik AG, Vienna/Austria, a high-tech company specializing in automotive electronics. As a project manager, he supported OEMs and suppliers in France and Japan with the implementation of current car-borne communications and networking systems. Finally, he was team manager „Projects and Services for French and Asian Markets“. Before his tenure with TTTech, he worked as a systems engineer for the French IT company Atos Origin. Vincent Marchand holds an engineering degree in Electronic and Signal Processing from Insa, Lyon, France.

About DEV Systemtechnik

DEV Systemtechnik GmbH & Co. KG is the first choice for the transmission and distribution of radio frequency signals as, for instance, required in head end stations. The company develops and produces leading-edge products and systems for the entire signal transmission path. The portfolio from DEV comprises fully coordinated product solutions, from antenna to receiver. All products are “Made in Germany” and meet the highest demands on system availability, reliability and controllability.
